

CESSNA CARAVAN

TEXTRON AVIATION

CESSNA CARAVAN

The Cessna® Caravan® aircraft is known for its rugged utility and flexibility. With its powerful turboprop engine, the Caravan delivers the rare combination of high performance, low operating costs and the ability to adapt to a wide variety of missions.

- **Economical and dependable single-engine turboprop performance.**
- **Customize the configuration to match your mission and optimize revenue on every flight.**
- **Large cargo doors and an optional cargo pod allow for oversized payloads.**
- **The Garmin™ G1000™ NXi flight deck offers an improved graphical interface, higher-resolution displays and added functionality to further enhance situational awareness.**
- **Rugged landing gear for unimproved airstrips and optional amphibious floats.**
