GRAND CARAVAN EX

THE WORLD’S ULTIMATE UTILITY VEHICLE

BY TEXTRON AVIATION
The CESSNA GRAND CARAVAN EX aircraft is known for its dependable and efficient performance by regional airlines, charter operators and cargo carriers worldwide.

- Maximize your flights with more than 3,600 pounds of useful load.
- Take control with the latest technology in integrated cockpit avionics, the GARMIN G1000 NXi, featuring an improved graphical interface, more powerful hardware, higher-resolution displays and added functionality to improve situational awareness.
- Optional Garmin Enhanced Automatic Flight Control System (E-AFCS) with electronic stability, underspeed protection and emergency descent mode.
- Take more with large cargo doors and an optional cargo pod for oversized loads.
- Go anywhere with rugged landing gear for unimproved airstrips and optional amphibious floats.
