HAVE IT ALL: SINGLE-PILOT PERFORMANCE, RANGE AND SPEED

At the top of the single-pilot class, the CESSNA CITATION CJ4 aircraft comes with more speed, more range and more room. For corporate flight departments and owner-operators alike, this Citation jet meets the need for midsize comfort at light-jet operating costs. Its versatile cabin features room for 10 passengers, trackable seats, individual climate control and high-definition entertainment. Single-point refueling and an externally serviceable lavatory make stops quicker and more convenient.

CITATION CJ4 SPECIFICATIONS
The pilot-friendly flight deck features category-leading technology and ergonomic enhancements centered on the Collins Aerospace Pro Line 21 avionics suite. Added navigation technology includes weather tracking with the Collins Aerospace MultiScan system and a standard Enhanced Ground Proximity warning system.
YOUR STYLE, YOUR FLIGHT

The Citation CJ4 aircraft outshines competing light jets on cabin amenities alone.
Six deep-cushioned, wide leather seats articulate in three directions and can be configured to fully recline for long, comfortable trips. Each features a patented retractable armrest with available lumbar support and seat-side media docks.

PASSENGER-CENTERED TECHNOLOGY

The 58-inch-wide cabin is designed to promote relaxation and productivity during even the longest flights. Passengers have their own temperature controls, and Collins Aerospace VENUE cabin management system provides optional Wi-Fi connectivity for high-definition entertainment.
The Citation CJ4 aircraft offers spacious, productive club seating for six. Choose either the standard side-facing seat or the two-place couch for additional seating. This Citation jet is designed to fly its full range in absolute comfort and convenience, including an aft lavatory with a belted seat. Its cabin is purpose-built to let you take your boardroom to the sky while keeping you connected to the world below.
