HAVE IT ALL: SINGLE-PILOT PERFORMANCE, RANGE AND SPEED

At the top of the single-pilot class, the Cessna® Citation® CJ4® aircraft comes with more speed, more range and more room. For corporate flight departments and owner-operators alike, this Citation meets the need for midsize comfort at light-jet operating costs. Its versatile cabin features room for 10 passengers, trackable seats, individual climate control and high-definition entertainment. Single-point refueling and an externally serviceable lavatory make stops quicker and more convenient.

- **Maximum Range**: 2,165 nm
- **Maximum Cruise Speed**: 451 ktas
- **Maximum Passengers**: 10
- **Useful Load**: 6,950 lb
- **Takeoff Distance**: 3,410 ft
UNPARALLELED QUALITY

EFFICIENT ENGINES
Williams International engines deliver reliable, efficient maintenance and lower direct operating costs.

DEPENDABLE AVIONICS
NextGen-capable Pro Line 21™ avionics offer ergonomic, pilot-friendly operation.

SINGLE-POINT REFUELING
The single-point refueling system reduces your time on the ground.

WEATHER TRACKING
Cutting-edge weather tracking with Rockwell Collins® Multiflex weather radar system.

ADVANCED CABIN MANAGEMENT
Standard cabin management includes separate temperature control zones for the cockpit and cabin.

GENEROUS BAGGAGE CAPACITY
With a 1,040-pound baggage capacity, you’ll never have to leave anything behind.

CABIN-CLASS ENTRY
The wide cabin door allows room for easy entrance and exit.

TRAILING-LINK LANDING GEAR
The landing gear’s trailing-link design provides rugged comfort for soft landings and smooth taxiing.

CLASS-LEADING RANGE
Go farther with the leading range-to-payload ratio and a best-in-class IFR range of 1,926 nautical miles.

CITATION CJ4 SPECIFICATIONS

INTERIOR DIMENSIONS
- Cabin Height: 57 in (1.45 m)
- Cabin Width: 58 in (1.47 m)
- Cabin Length: 17.3 ft (5.28 m)
- Baggage Capacity: 1,040 lb (471.7 kg)

WEIGHTS
- Maximum Takeoff: 17,110 lb (7,761 kg)
- Basic Operating: 10,280 lb (4,663 kg)
- Useful Load: 6,950 lb (3,152 kg)
- MAX OCCUPANTS: 11

POWERPLANT
- Manufacturer: Williams International
- Model: (2) FJ44-4A
- Thrust: 3,621 lb per engine

PERFORMANCE
- Takeoff Field Length (MTOW): 3,410 ft (1,039 m)
- Time to Climb: 30,450 ft in 24 min
- Max Cruise Speed: 451 ktas (835 km/h)
- Max Range (Ferry, LRC): 2,165 nm (4,010 km)

Performance data is based on standard conditions with zero wind. Field performance assumes a level, hard-surface, dry runway. Range is based on a 2-hour mission at NBAA IFR reserve (100 nm).
The pilot-friendly flight deck features category-leading technology and ergonomic enhancements centered on the Rockwell Collins Pro Line 21 avionics suite. Added navigation technology includes weather tracking with the Rockwell Collins MultiScan system and a standard Enhanced Ground Proximity warning system.
YOUR STYLE, YOUR FLIGHT

The Citation CJ4 outshines competing light jets on cabin amenities alone. Six deep-cushioned, wide leather seats articulate in three directions and can be configured to fully recline for long, comfortable trips. Each features a patented retractable armrest with available lumbar support and seat-side media docks.

PASSENGER-CENTERED TECHNOLOGY

The 58-inch-wide cabin is designed to promote relaxation and productivity during even the longest flights. Passengers have their own temperature controls, and Rockwell Collins’ Venue™ cabin management system provides optional Wi-Fi connectivity for high-definition entertainment.
The Citation CJ4 offers spacious, productive club seating for six. Choose either the standard side-facing seat or the two-place couch for additional seating. This Citation is designed to fly its full range in absolute comfort and convenience, including an aft lavatory with a belted seat. Its cabin is purpose-built to let you take your boardroom to the sky while keeping you connected to the world below.

**CUSTOMIZED FOR YOUR COMFORT**

- Large galley with generous storage space
- Standard side-facing seat
- Four executive tables
- Eleven optimally placed windows
- Externally serviced, standard belted lavatory

Optional seating

Standard seating

The Citation CJ4 offers spacious, productive club seating for six. Choose either the standard side-facing seat or the two-place couch for additional seating. This Citation is designed to fly its full range in absolute comfort and convenience, including an aft lavatory with a belted seat. Its cabin is purpose-built to let you take your boardroom to the sky while keeping you connected to the world below.
TAKE COMMAND OF YOUR TRAINING

Get ready to train with the best. TRU Simulation + Training delivers an immersive experience for Citation CJ4 pilots. Step inside state-of-the-art simulators, and take advantage of online resources to keep your skills sharp all year long.

TRU SIMULATION + TRAINING
• The most true-to-life simulators in the industry with record, playback and demo capabilities that make learning easy and enjoyable.
• Fifty percent more training time in Level-D full-flight simulators and FTDs.
• One-on-one guidance from active, high-time pilot instructors with recent operational experience.
• FAA-approved online courses.
• Freedom to attend ground school from home and spend fewer days training on-site.

CONVENIENT, YEAR-ROUND CURRENCY
Study on your own time, at your own pace. With TRU’s Current 365™ program, you can maintain currency throughout the year, get courseware sent right to your email, and train when and where you want.

Be the best pilot you can be. Get started at TRUSimulation.com.

SERVICE ANYTIME, ANYWHERE

With you as our focus, we are fully committed to servicing your Citation CJ4. You can count on Textron Aviation to be by your side with superior parts availability, competitive pricing and a robust distribution system. The support you receive is always factory-direct and available for you 24 hours a day.

HIGHLIGHTS FROM OUR SERVICE NETWORK
• Textron Aviation has the farthest-reaching network of company-owned service centers.
• AOG support is just 1CALL away. Dial a single number for diagnostic expertise, mobile service units and airborne response to remote locations.
• Our parts inventory is 19 million strong, covering your aircraft from nose to tail.
• We ship 99.6 percent of parts in stock the same day you order them.

THE WORLD’S LEADER IN AVIATION

We advance the market by leveraging the latest technology in our Beechcraft®, Cessna and Hawker® aircraft. These cornerstone brands account for more than half of all general aviation aircraft flying today.

We have delivered more than 250,000 aircraft, exceeding 150 million flight hours in over 170 countries. In the last five years, more than 10 new Textron Aviation products have been certified and delivered. We continue to lead the market with the widest-ranging offerings available to customers.

Our portfolio features Citation aircraft, the world’s best-selling business jets; King Air® and Caravan® aircraft, both class-leading turboprops; and advanced piston aircraft for transport and efficient pilot training.
