READY TO TAKE MORE, FARTHER

You’re ready for more speed, more range and more comfort — serious jet performance. The CESSNA CITATION M2 aircraft is ready for you. We designed it to give you exactly what you asked for in a single-pilot light jet. Equipped with proven Williams International turbofans, the Citation M2 aircraft delivers fast, efficient trips with exceptional range. The interior is finished with category-leading craftsmanship and the latest cabin technology. A GARMIN G3X00 flight deck provides an ideal single-pilot flying experience.

Maximum Range: 1,550 nm
Maximum Cruise Speed: 404 ktas
Maximum Passengers: 7
Useful Load: 3,810 lb
Takeoff Field Length: 3,210 ft
EXCEPTIONAL CAPABILITIES

STATE-OF-THE-ART AUTOPILOT SYSTEM
The autopilot system makes flying easy, consistent and enjoyable.

TOUCH-SCREEN AVIONICS
The advanced Garmin G3X00 touch-screen capabilities simplify situational awareness and VFR navigation.

CLUB CONFIGURATION
The Citation M2 offers a club configuration with a side-facing passenger seat.

EFFICIENT ENGINES
Williams engines deliver reliable, efficient performance and lower direct operating costs.

EXTENDED RANGE
A class-leading combination of extended range and high and hot takeoff field length gives you more landing options.

INTERIOR DIMENSIONS
- Cabin Height: 57 in (1.45 m)
- Cabin Width: 58 in (1.47 m)
- Cabin Length: 11 ft (3.35 m)
- Baggage Capacity: 725 lb (329 kg)

WEIGHTS
- Maximum Takeoff: 10,700 lb (4,853 kg)
- Basic Operating Weight: 6,990 lb (3,171 kg)
- Useful Load: 3,710 lb (1,682 kg)

MAX OCCUPANTS
- 8

POWERPLANT
- Manufacturer: Williams International
- Model: (2) FJ44-1AP-21
- Thrust: 1,965 lb per engine

PERFORMANCE
- Takeoff Field Length: 3,210 ft (978 m)
- Time to Climb: FL410 in 24 min
- Maximum Cruise Speed: 404 ktas (748 km/h)
- Maximum Range: 1,550 nm (2,871 km)

Exceptional Capabilities

- STATE-OF-THE-ART AUTOPILOT SYSTEM
- TOUCH-SCREEN AVIONICS

The GTC 570, a glass touch-screen controller, is the primary connection for the Garmin G3000 system. This icon-driven system enables easier flight plan storage and access to diagnostics and weather management systems. Functions are easy to locate, allowing you more time heads-up and looking forward.
TRAVEL IN STYLE
AND COMFORT

The Citation M2 interior is equally elegant and comfortable. Eight large windows emphasize the spaciousness of the cabin. The interior layout provides seating for up to six passengers, who can work and relax while staying connected with optional high-speed internet and phone.

CONNECTIVITY AND CONTROL

The cabin management system provides intelligent cabin control on your personal device. Stay entertained during flight with streaming audio and video. The moving map will keep you updated on your travel progress.
MATCH YOUR COMFORT WITH YOUR MISSION

FLEXIBILITY TO MEET YOUR NEEDS

Additional storage is optional. The standard side-facing seat may be replaced with a cabinet that includes four large drawers.

Optional seating

Standard seating

Executive tables stow neatly

Fully tracking swing-out seats

Eight large windows

Standard belted flushing lavatory

Large refreshment center

Standard side-facing seat
ADVANCE YOUR TRAINING

Aviation professionals worldwide rely on FlightSafety Textron Aviation Training to provide the highest-quality training and outstanding service for the Textron Aviation product line of BEechCRAFT, Cessna and HAWker aircraft. Our Learning Centers give our customers the confidence of knowing we’re focused on reliability, convenience and flexibility.

FLIGHTSAFETY TEXTRON AVIATION TRAINING

• Approved by aviation regulatory authorities worldwide.
• Access our fleet of 80 simulators at 17 centers.
• Most Learning Centers are conveniently located close to Textron Aviation service centers.
• Learn from experienced instructors committed to your proficiency and success.
• Each classroom and simulator experience delivers outstanding and unmatched quality.
• Choose between traditional in-classroom instruction, blended learning or eLearning.

WE WORK TO KEEP YOUR WORLD MOVING

Maintaining a global fleet requires worldwide coordination and universal access to support. With you as our focus, we are fully committed to servicing your Citation M2 aircraft with general aviation’s largest global support network. You can count on Textron Aviation to provide superior parts availability, competitive pricing and a robust distribution system. The quality support you receive is always efficient, factory-direct and available for you 24 hours a day.

HIGHLIGHTS FROM OUR SERVICE NETWORK

• Textron Aviation has the farthest-reaching global network of company-owned service centers and the world’s largest parts distribution network.
• It only takes 1CALL to get you back in the air. Our team is trained to manage AOG situations, so support is available day and night to keep you moving.
• With an inventory of over 19 million parts, Textron Aviation has the technical support to cover your aircraft from nose to tail.
• 96% same-day fill rate on all in-stock part orders.

You can count on the industry experts to be there for the life of your aircraft.
We advance the market by leveraging the latest technology in our Beechcraft, Cessna and Hawker aircraft. These cornerstone brands account for more than half of all general aviation aircraft flying today.

We have delivered more than 250,000 aircraft, exceeding 150 million flight hours in over 170 countries. With more than 12,000 employees building new products and supporting you every step of the way, we continue to provide the industry’s widest-ranging offerings and most capable service.

Our portfolio features Citation aircraft, the world’s best-selling business jets; KING AIR and CARAVAN aircraft, both class-leading turboprops; and advanced piston aircraft for transport and efficient pilot training.
