Range-enhancing winglets combined with powerful engines allow the CESSNA CITATION SOVEREIGN+ aircraft to land on smaller runways and at airports surrounded by obstacles. This reduces travel time and grants access to popular destinations such as Aspen, Hilton Head and Key West. The sizable cabin makes every business trip a pleasure.

**REDRAW YOUR RANGE MAP**

- **Takeoff Distance**: 3,530 ft
- **Maximum Range**: 3,200 nm
- **Maximum Passengers**: 12
- **Maximum Cruise Speed**: 460 ktas
- **Useful Payload**: 12,790 lb
- **Takeoff Distance**: 3,530 ft

Maximum Range 3,200 nm

Maximum Cruise Speed 460 ktas

Maximum Passengers 12

Useful Payload 12,790 lb

Takeoff Distance 3,530 ft
UNMATCHED INGENUITY

TOUCH-SCREEN AVIONICS
Next-gen capable G5000 avionics streamline the pilot experience with advanced infrastructure and touch-screen simplicity.

SPACIOUS CABIN
The spacious, versatile cabin features electrically operated windows and a double-club seating configuration.

HEATED BAGGAGE COMPARTMENT
The heated baggage compartment can hold up to 1,000 pounds and 100 cubic feet of cargo.

POWERFUL ELECTRICAL SYSTEM
Triple-redundant power generation is the foundation for the robust electrical system.

CLASS-LEADING TAKEOFF FIELD LENGTH
The Citation Sovereign+ jet gets you off the runway fast with an unmatched 3,530-foot takeoff field length.

FUEL-EFFICIENT ENGINES
Pratt & Whitney Canada engines deliver low cost maintenance, high reliability and fuel efficiency for low operating costs.

CITATION SOVEREIGN+ SPECIFICATIONS

INTERIOR
Cabin Height 68 in 1.73 m
Cabin Width 66 in 1.68 m
Cabin Length 25 ft 3 in 7.70 m
Baggage Capacity
- Weight 1,405 lbs 636 kg
- Volume 160 cu ft 4.56 cu m

WEIGHTS
Max TOW 30,775 lbs 13,959 kg
Basic Operating Weight 18,235 lbs 8,271 kg
Useful Load 12,540 lbs 5,688 kg
MAX PASSENGERS
12

POWERPLANT
Manufacturer Pratt & Whitney Canada
Model (2) PW306D
Thrust 5,907 lb 26.28 kN ea

PERFORMANCE
Takeoff Field Length (MTOW) 3,530 ft 1,076 m
Max Range 3,200 nm 5,926 km
Max Cruise Speed 460 ktas 852 km/h
Time to Climb FL 450 in 27 min

Performance data is based on standard conditions with zero wind. Field performance assumes a level, hard surface, dry runway. Range is based on a ferry mission at LRC and IFR Reserves (200 nm).
The double-club seating features large, comfortable leather seats with forward and aft tracking, swivel bases and reclining positions for maximum comfort. Productivity doesn’t stop with standard domestic internet and four executive tables which provide generous work space for each passenger.

CONNECTIVITY AND CONTROL

Stay connected and be productive with the state-of-the-art cabin management system and domestic internet. Wireless cabin management comes standard and allows access to digital media, individual interactive moving maps and satellite radio, giving passengers complete control from their personal mobile devices.

* Satellite radio and internet require subscriptions.
STEP IN AND MAKE IT YOUR OWN

ROOM FOR EVERYTHING YOU BRING ABOARD

The forward galley provides ample supply cabinets, cold storage and a well-lit counter for food preparation.
ENHANCED DECK FOR INTUITIVE OPERATION

The redesigned flight deck offers the ultimate command center for pilots. Powered by Garmin G5000 avionics, the cockpit is bright, modern and all-glass, offering unsurpassed situational awareness. Features include Garmin Synthetic Vision Technology (SVT), detailed moving map imagery*, electronic charts, traffic surveillance (TCAS II Change 7), terrain awareness (Class-A TAWS) and intuitive touch-screen controls. An integrated, work-saving autothrottle frees the hands of busy pilots.

The GTC 570, an all-new glass touch-screen controller, is the primary point of contact for the Garmin G3000 system. This icon-driven interface enables you to access more systems and sensors than ever before. Functions are easy to locate, allowing you more time heads up, looking forward.

PILOTING AT A TOUCH
GARMIN G5000: THE HEART OF A REVOLUTIONARY SYSTEM

- Fully integrated autothrottles
- Garmin SVT
- Touch-screen control panels
- Flight management systems (FMS)
- Transponders with ADS-B Out capability
- Optional flight data recorder (ICAO Type IA)

ADVANCE YOUR TRAINING

Aviation professionals worldwide rely on FlightSafety Textron Aviation Training to provide the highest-quality training and outstanding service for the Textron Aviation product line of BEECHCRAFT, Cessna and HAWKER aircraft. Our Learning Centers give our customers the confidence of knowing we’re focused on reliability, convenience and flexibility.

FLIGHTSAFETY TEXTRON AVIATION TRAINING
• Approved by aviation regulatory authorities worldwide.
• Access our fleet of 89 simulators at 17 centers.
• Most Learning Centers are conveniently located close to Textron Aviation service centers.
• Learn from experienced instructors committed to your proficiency and success.
• Each classroom and simulator experience delivers outstanding and unmatched quality.

WE WORK TO KEEP YOUR WORLD MOVING

Maintaining a global fleet requires worldwide coordination and universal access to support. With you as our focus, we are fully committed to servicing your Citation Sovereign+ aircraft with general aviation’s largest global support network. You can count on Textron Aviation to provide superior parts availability, competitive pricing and a robust distribution system. The quality support you receive is always efficient, factory-direct and available for you 24 hours a day.

HIGHLIGHTS FROM OUR SERVICE NETWORK
• Textron Aviation has the farthest-reaching global network of company-owned service centers and the world’s largest parts distribution network.
• It only takes 1CALL to get you back in the air. Our team is trained to manage AOG situations, so support is available day and night to keep you moving.
• With an inventory of over 19 million parts, Textron Aviation has the technical support to cover your aircraft from nose to tail.
• 96% same-day fill rate on all in-stock part orders.

You can count on the industry experts to be there for the life of your aircraft.

We advance the market by leveraging the latest technology in our Beechcraft, Cessna and Hawker aircraft. These cornerstone brands account for more than half of all general aviation aircraft flying today.

We have delivered more than 250,000 aircraft, exceeding 150 million flight hours in over 170 countries. With more than 12,000 employees building new products and supporting you every step of the way, we continue to provide the industry’s widest-ranging offerings and most capable service.

Our portfolio features Citation aircraft, the world’s best-selling business jets; KING AIR and CARAVAN aircraft, both class-leading turboprops; and advanced piston aircraft for transport and efficient pilot training.
