Range-enhancing winglets combined with powerful engines allow the Cessna® Citation® Sovereign®+ to land on smaller runways and at airports surrounded by obstacles. This reduces travel time and grants access to popular destinations such as Aspen, Hilton Head and Ocean Reef. The sizable cabin makes every business trip a pleasure.

**Range-enhancing winglets combined with powerful engines allow the Cessna® Citation® Sovereign®+ to land on smaller runways and at airports surrounded by obstacles. This reduces travel time and grants access to popular destinations such as Aspen, Hilton Head and Ocean Reef. The sizable cabin makes every business trip a pleasure.**

**Takeoff Distance**
3,530 ft

**Maximum Range**
3,200 nm

**Maximum Cruise Speed**
460 ktas

**Maximum Passengers**
12

**Useful Payload**
12,790 lb

**Takeoff Distance**
3,530 ft
UNMATCHED INGENUITY

TOUCH-SCREEN AVIONICS

NextGen-capable Garmin® G5000™ avionics streamline the pilot experience with advanced autothrottles and touch-screen simplicity.

SPACIOUS CABIN

The spacious, versatile cabin features electrically operated windows and a double-club seating configuration.

HEATED BAGGAGE COMPARTMENT

The heated baggage compartment can hold up to 1,000 pounds and 100 cubic feet of cargo.

POWERFUL ELECTRICAL SYSTEM

Triple-redundant power generation is the foundation for the robust electrical system.

CLASS-LEADING TAKEOFF FIELD LENGTH

Sovereign gets you off the runway fast with an unmatched 3,530-foot takeoff field length.

FUEL-EFFICIENT ENGINES

Pratt & Whitney Canada engines deliver low-cost maintenance, high reliability and fuel efficiency for low operating costs.

FUEL-EFFICIENT ENGINES

Pratt & Whitney Canada engines deliver low-cost maintenance, high reliability and fuel efficiency for low operating costs.

CITATION SOVEREIGN+ SPECIFICATIONS

INTERIOR

Cabin Height 68 in 1.73 m
Cabin Width 66 in 1.68 m
Cabin Length 26 ft 3 in 7.7 m
Baggage Capacity

- Weight 1,405 lbs 636 kg
- Volume 120 cu ft 3.42 cu m

WEIGHTS

Max T-O 30,775 lbs 13,959 kg
Max Basic Operating Weight 18,235 lbs 8,271 kg
Useful Load 12,540 lbs 5,688 kg
Max Passengers 12

POWERPLANT

Manufacturer Pratt & Whitney Canada
Model (2) PW306D
Thrust 5,907 lb 26.28 kN ea

PERFORMANCE

Takeoff Field Length (MTOW) 3,530 ft 1,076 m
Max Range 3,200 nm 5,926 km
Max Cruise Speed 460 ktas 852 km/h
Time to Climb FL 450 in 27 min

Performance data is based on standard conditions with zero wind. Field performance assumes a level, hard surface, dry runway. Range is based on a ferry mission at LRC with NBA IFR Reserves (200 nm).

The double-club seating features large, comfortable leather seats with forward and aft tracking, swivel bases and reclining positions for maximum comfort. Productivity doesn’t stop with standard internet and four executive tables which provide generous work space for each passenger.

**WORK IN COMFORT, STAY CONNECTED**

Stay connected and be productive with the state-of-the-art cabin management system and internet. Wireless cabin management comes standard and allows access to digital media, individual interactive moving maps and satellite radio, giving passengers complete control from their personal mobile devices.

**CONNECTIVITY AND CONTROL**
STEP IN AND MAKE IT YOUR OWN

Optional couch seating

Executive tables stow neatly

Fully tracking, berthable swivel seats

14 large windows

Class-leading, high-capacity baggage compartment

Standard sink with temperature-controlled water

Standard Seating

Optional Seating

ROOM FOR EVERYTHING YOU BRING ABOARD

The forward galley provides ample supply cabinets, cold storage and a well-lit counter for food preparation.
The redesigned flight deck offers the ultimate command center for pilots. Powered by Garmin G5000 avionics, the cockpit is bright, modern and all-glass, offering unsurpassed situational awareness. Features include Garmin Synthetic Vision Technology (SVT™), detailed moving map imagery, electronic charts, traffic surveillance (TCAS II Change 7.1), terrain awareness (Class-A TAWS) and intuitive touch-screen controls. An integrated, work-saving autothrottle frees the hands of busy pilots.

GARMIN G5000: THE HEART OF A REVOLUTIONARY SYSTEM

• Fully integrated autothrottles
• Garmin SVT
• Touch-screen control panels
• Flight management systems (FMS)
• Transponders with ADS-B Out capability
• Optional flight data recorder (ICAO Type IA)

*Subscription required.
TAKE COMMAND OF YOUR TRAINING

Get ready to train with the best. TRU Simulation + Training delivers an immersive experience for Citation Sovereign® pilots. Step inside state-of-the-art simulators, and take advantage of online resources to keep your skills sharp all year long.

TRU SIMULATION + TRAINING

• The most true-to-life simulators in the industry with record, playback and demo capabilities that make learning easy and enjoyable.
• Fifty percent more training time in Level-D full-flight simulators and FTDs.
• One-on-one guidance from active, high-time pilot instructors with recent operational experience.
• FAA-approved online courses.
• Freedom to attend ground school from home and spend fewer days training on-site.

CONVENIENT, YEAR-ROUND CURRENCY

Study on your own time, at your own pace. With TRU’s Current 365® program, you can maintain currency throughout the year, get courseware sent right to your email, and train when and where you want.

Be the best pilot you can be. Get started at TRUSimulation.com.

SERVICE ANYTIME, ANYWHERE

With you as our focus, we are fully committed to servicing your Citation Sovereign®. You can count on Textron Aviation to be by your side with superior parts availability, competitive pricing and a robust distribution system. The support you receive is always factory-direct and available for you 24 hours a day.

HIGHLIGHTS FROM OUR SERVICE NETWORK

• Textron Aviation has the farthest-reaching network of company-owned service centers.
• AOG support is just 1CALL away. Dial a single number for diagnostic expertise, mobile service units and airborne response to remote locations.
• Our parts inventory is 19 million strong, covering your aircraft from nose to tail.
• We ship 99.6 percent of parts in stock the same day you order them.

VISIT SERVICE.TXTAV.COM TO LEARN MORE.
THE WORLD’S LEADER IN AVIATION

We advance the market by leveraging the latest technology in our Beechcraft®, Cessna and Hawker® aircraft. These cornerstone brands account for more than half of all general aviation aircraft flying today.

We have delivered more than 250,000 aircraft, exceeding 150 million flight hours in over 170 countries. In the last five years, more than 10 new Textron Aviation products have been certified and delivered. We continue to lead the market with the widest-ranging offerings available to customers.

Our portfolio features Citation aircraft, the world’s best-selling business jets; King Air® and Caravan® aircraft, both class-leading turboprops; and advanced piston aircraft for transport and efficient pilot training.
