EXPAND YOUR BUSINESS

The best-selling business jet in the world, the Cessna Citation XLS+ aircraft is known for its comfort and low operating costs. With its spacious cabin and outstanding performance, your whole team can fly in comfort while arriving closer to your destination, allowing you to spend less time traveling and more time at the job site or with your customer.

- Takeoff Distance: 3,560 ft
- Maximum Range: 2,100 nm
- Useful Load: 7,540 lb
- Maximum Passengers: 9
- Maximum Cruise Speed: 441 ktas
- Takeoff Distance: 3,560 ft

N560XL
Performance data is based on standard conditions with zero wind. Field performance assumes a level, hard surface, dry runway. Range is based on a ferry mission at LRC with NBAA IFR Reserves (100 nm).

### Made for Every Mission
- PROVEN AVIONICS
- FUEL-EFFICIENT ENGINES
  Pratt & Whitney Canada FADEC-controlled powerplants give you exceptional performance and excellent efficiency at minimal maintenance cost.
- AUXILIARY POWER
  APU supplies backup power in flight and provides electricity, heating and cooling while your aircraft is on the ground.
- EXTERNAL AND ONBOARD STORAGE
  An external baggage compartment accommodates all your luggage. Cabin closet space is plentiful, providing ample storage in the galley and lavatory.
A CABIN IN A CLASS OF ITS OWN

Sleek interior finishes, a side-facing couch, spacious lavatory and a deluxe refreshment center blur the line between business and pleasure. The large, comfortable cabin allows for six extra-wide leather reclining seats. With stowaway worktables, passengers can stay productive or choose to relax.
Take full advantage of its generous space, and design the cabin to meet your needs. The standard configuration includes a side-facing couch and six seats, each with a well-positioned work surface. The VIP seat control offers passengers complete control of the cabin lighting and temperature. For added storage, the two-place couch can be replaced with a storage closet and a single side-facing seat. Seats are wrapped in rich leather, while tasteful hardwood finishes and custom-tailored fabrics accent the elegance.
WORLD’S MOST TRUSTED FLIGHT DECK

Simpler controls powered by Rockwell Collins Pro Line 21 avionics make the Citation XLS+ smarter than ever. Crews will feel confident flying the Citation XLS+ with weather and navigation systems, detailed flight status and diagnostics systems, all in direct line of sight.

PRO LINE 21 IS PERFORMANCE

• Dual 8x10-inch primary flight displays
• Dual 8x10-inch multifunction displays
• Electronic flight information system
• Crew alerting system
• Flight guidance system
• Dual air data computers
• Broadcast graphical weather
• Emergency descent mode
• Dual attitude heading reference system
• Integrated electronic checklists
• Electronic charts
• Flight management system
• Terrain awareness warning system (TAWS)
• Traffic collision avoidance system (TCAS II)
• Maintenance diagnostic system
• Optional ICAO Type IA flight data recorder
With you as our focus, we are fully committed to servicing your Citation XLS+. You can count on Textron Aviation to be by your side with superior parts availability, competitive pricing and a robust distribution system. The support you receive is always factory-direct and available for you 24 hours a day.

HIGHLIGHTS FROM OUR SERVICE NETWORK

- Textron Aviation has the farthest-reaching network of company-owned service centers.
- AOG support is just 1CALL away. Dial a single number for diagnostic expertise, mobile service units and airborne response to remote locations.
- Our parts inventory is 19 million strong, covering your aircraft from nose to tail.
- We ship 99.6 percent of parts in stock the same day you order them.

VISIT SERVICE.TEXAV.COM TO LEARN MORE.
THE WORLD’S LEADER IN AVIATION

We advance the market by leveraging the latest technology in our Beechcraft®, Cessna and Hawker® aircraft. These cornerstone brands account for more than half of all general aviation aircraft flying today.

We have delivered more than 250,000 aircraft, exceeding 150 million flight hours in over 170 countries. In the last five years, more than 10 new Textron Aviation products have been certified and delivered. We continue to lead the market with the widest-ranging offerings available to customers.

Our portfolio features Citation aircraft, the world’s best-selling business jets; King Air® and Caravan® aircraft, both class-leading turboprops; and advanced piston aircraft for transport and efficient pilot training.
