- Maximum Range: 2,100 nm
- Useful Load: 7,540 lb
- Maximum Cruise Speed: 441 ktas
- Maximum Passengers: 12
CITATION XLS+ SPECIFICATIONS

INTERIOR
Cabin Height 68 in 1.73 m
Cabin Width 66 in 1.68 m
Cabin Length 18 ft 6 in 5.64 m
Baggage Capacity 800 lb 363 kg
Baggage Volume 90.2 cu ft 2.55 cu m

WEIGHTS
Max Takeoff Weight 20,200 lb 9,163 kg
Basic Operating Weight 12,860 lb 5,833 kg
Useful Load 7,340 lb 3,420 kg

MAX PASSENGERS
A high-density seating configuration for up to 12 is available.

POWERPLANT
Manufacturer Pratt & Whitney Canada
Model (2) PW545C
Thrust 4,119 lb ea 18.32 kN ea

PERFORMANCE
Takeoff Field Length (MTOW) 3,560 ft 1,085 m
Time to Climb FL 450 in 29 min
Max Range 2,100 nm 3,889 km
Max Cruise Speed 441 ktas 817 km/h

FUEL-EFFICIENT ENGINES
Pratt & Whitney Canada FADEC-controlled powerplants give you exceptional performance and excellent efficiency at minimal maintenance cost.

AUXILIARY POWER
APU supplies backup power in flight and provides electricity, heating and cooling while your aircraft is on the ground.

HISTORY OF SUCCESS
Almost 1,000 deliveries to date.

SPACIOUS CABIN
The roomy cabin features generous width and stand-up room, allowing passengers to move about with ease.

MADE FOR EVERY MISSION

EXTERNAL AND ONBOARD STORAGE
An external baggage compartment accommodates all your luggage. Cabin closet space is plentiful, providing ample storage in the galley and lavatory.

PROVEN AVIONICS

SPACIOUS CABIN
The roomy cabin features generous width and stand-up room, allowing passengers to move about with ease.
Sleek interior finishes, a side-facing couch, spacious lavatory and a deluxe refreshment center blur the line between business and pleasure. The large, comfortable cabin allows for six extra-wide leather reclining seats. With stowaway worktables, passengers can stay productive or choose to relax.
Take full advantage of its generous space, and design the cabin to meet your needs. The standard configuration includes a side-facing couch and six seats, each with a well-positioned work surface. The VIP seat control offers passengers complete control of the cabin lighting and temperature. For added storage, the two-place couch can be replaced with a storage closet and a single side-facing seat. Seats are wrapped in rich leather, while tasteful hardwood finishes and optional custom-tailored fabrics accent the elegance.
WORLD’S MOST RECOGNIZED FLIGHT DECK

Simpler controls powered by Collins Aerospace Pro Line 21 avionics make the Citation XLS+ aircraft smarter than ever. Crews will feel confident flying this jet with weather and navigation systems, detailed flight status and diagnostics systems, all in direct line of sight.

PRO LINE 21 OUTPERFORMS

• Dual 8x10-inch primary flight displays
• Dual 8x10-inch multifunction displays
• Electronic flight information system
• Crew alerting system
• Flight guidance system
• Dual air data computers
• Broadcast graphical weather
• Emergency descent mode
• Dual attitude heading reference system
• Integrated electronic checklists
• Electronic charts
• Flight management system
• Terrain awareness warning system (TAWS)
• Traffic collision avoidance system (TCAS II)
• Maintenance diagnostic system
• Optional ICAO Type IA flight data recorder
ADVANCE YOUR TRAINING

Aviation professionals worldwide rely on FlightSafety Textron Aviation Training to provide the highest-quality training and outstanding service for the Textron Aviation product line of BEECHCRAFT, Cessna and HAWKER aircraft. Our Learning Centers give our customers the confidence of knowing we’re focused on reliability, convenience and flexibility.

FLIGHTSAFETY TEXTRON AVIATION TRAINING

• Approved by aviation regulatory authorities worldwide.
• Access our fleet of 89 simulators at 17 centers.
• Most Learning Centers are conveniently located close to Textron Aviation service centers.
• Learn from experienced instructors committed to your proficiency and success.
• Each classroom and simulator experience delivers outstanding and unmatched quality.
• Choose between traditional in-classroom instruction, blended learning or eLearning.

WE WORK TO KEEP YOUR WORLD MOVING

Maintaining a global fleet requires worldwide coordination and universal access to support. With you as our focus, we are fully committed to servicing your Citation XLS+ aircraft with general aviation’s largest global support network. You can count on Textron Aviation to provide superior parts availability, competitive pricing and a robust distribution system. The quality support you receive is always efficient, factory-direct and available for you 24 hours a day.

HIGHLIGHTS FROM OUR SERVICE NETWORK

• Textron Aviation has the farthest-reaching global network of company-owned service centers and the world’s largest parts distribution network.
• It only takes 1 CALL to get you back in the air. Our team is trained to manage AOG situations, so support is available day and night to keep you moving.
• With an inventory of over 19 million parts, Textron Aviation has the technical support to cover your aircraft from nose to tail.
• 96% same-day fill rate on all in-stock part orders.

You can count on the industry experts to be there for the life of your aircraft.
We advance the market by leveraging the latest technology in our Beechcraft, Cessna and Hawker aircraft. These cornerstone brands account for more than half of all general aviation aircraft flying today.

We have delivered more than 250,000 aircraft, exceeding 150 million flight hours in over 170 countries. With more than 12,000 employees building new products and supporting you every step of the way, we continue to provide the industry’s widest-ranging offerings and most capable service.

Our portfolio features Citation aircraft, the world’s best-selling business jets; KING AIR and CARAVAN aircraft, both class-leading turboprops; and advanced piston aircraft for transport and efficient pilot training.
